21st Annual

TRAUMA & SURGICAL **CRITICAL CARE SYMPOSIUM**

Oct. 24, 2014

Rapp Family Conference Center at Eskenazi Health 720 Eskenazi Ave., Indianapolis, IN 46202

Indiana University School of Medicine • Department of Surgery Division of Trauma, Surgical Critical Care and Emergency Surgical Services

ESKENAZI HEALTH

Course Description

The 21st Annual Trauma & Surgical Critical Care Symposium is designed to provide physicians, nurses and other health care professionals who care for trauma and critically ill patients with an in-depth look at trauma. Controversial issues as well as advances in diagnosis and management of patients will be discussed in this symposium. Lectures will be presented by national and international faculty who specialize in trauma surgery and critical care.

Course Objectives

At the conclusion of this program, participants should be able to:

- Outline the current state of crime in Indianapolis and discuss plans in place that are aimed at reduction of crime.
- Discuss post-traumatic stress disorder.
- Illustrate violence prevention programs that have shown to be successful.
- Explain the current use of endovascular balloon therapy for the intra-abdominal bleeding trauma patient.
- Illustrate the training and use of non-medical personnel in the care of the injured trauma patient.
- Identify and prioritize care of the trauma patient sustaining a penetrating injury.
- Review the abdominal compartment syndrome and which trauma patients are at risk for this complication.
- Inform and update participants on the state of the Indiana trauma system.
- Review current practice guidelines in the management of coagulopathies and massive transfusion.
- Illustrate the connection between texting and motor vehicle accidents.
- Examine the emotional strain placed on health care providers when caring for patients whom staff members know on a personal level.

Accreditation Statement

Indiana University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Designation Statement

Indiana University School of Medicine designates this live activity for a maximum of 5.75 AMA PRA Category 1 CreditsTM. Physicians should claim only credit commensurate with the extent of their participation in the activity.

Faculty Disclosure Statement

In accordance with the ACCME Standards for Commercial Support, educational programs sponsored by the Indiana University School of Medicine must demonstrate balance, independence, objectivity and scientific rigor. All faculty, authors, editors and planning committee members participating in an Indiana University School of Medicine-sponsored activity are required to disclose **any relevant financial interest or other relationship** with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services that are discussed in an educational activity.

Note

While it offers ACCME credits, this activity is not intended to provide extensive training or certification in the field.

Nursing Credit Statement

Eskenazi Health (OH-437, 12/1/15) is an approved provider of continuing nursing education by the Ohio Nurses Association (OBN-001-91), an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. Nurses who complete all of Friday's sessions will be awarded **6.3** contact hours.

Statements of disclosure have been obtained from the speakers. The speakers have no relevant financial relationships.

Location Information

The symposium will be held in the Rapp Family Conference Center, located on the first floor of the Outpatient Care Center at the Sidney & Lois Eskenazi Hospital, 720 Eskenazi Ave., Indianapolis.

Attendees may park in the Eskenazi Health Parking Garage. The entrance to this garage is located off of Eskenazi Avenue.

Foo

Please see registration form for fee schedule. The fee includes conference materials, continental breakfast and lunch. Indiana University School of Medicine, Eskenazi Health and Indianapolis Emergency Medical Services faculty, staff and residents-in-training may attend free of charge; however, registration is required. Payment may be made by check payable to Indiana University, or you may pay online using Visa, MasterCard, American Express or Discover. All registration fees will be refunded if cancellation is made before Oct. 17, 2014.
